well established on college reading lists prisoners without trial presents a concise introduction to a shameful chapter in american history the incarceration of nearly 120 000 japanese americans during world war ii with a new preface a new epilogue and expanded recommended readings roger daniels s updated edition examines a tragic event in our nation s past and thoughtfully asks if it could happen again a concise deft introduction to a shameful chapter in american history the incarceration of nearly 120 000 japanese americans during world war ii publishers weekly more proof that good things can come in small packages daniels tackle s historical issues whose consequences reverberate today not only does he offer cogent overviews of the issues but he is willing to climb out on a critical limb for instance writing about the incarceration of japanese americans during ww ii this book has tried to explain how and why the outrage happened that is the role of the historian and his book which is to analyze the past but this historian feels that analyzing the past is not always enough and so he takes on the question of could it happen again and concludes that there s an american propensity to react against foreigners in the united states during times of external crisis especially when those foreigners have dark skins and that japanese americans at least would argue that what has happened before can surely happen again kirkus reviews an outstanding resource that provides a clear and concise history of the mass incarceration of japanese americans during world war ii alice yang murray university of california santa cruz especially in light of the events following september 11 2001 roger daniels has done us a great favor in a slender book he tells with the assurance of a master narrator an immense story we all of us ignore at the peril of our freedoms gary y okihiro columbia university no book could be more timely how as a different immigrant minority is under racial pressure associated with a feared enemy the updated prisoners without trial helps us see clearly what lessons we may draw from the past paul spickard author of japanese americans in the epilogue to the first edition of prisoners without trial roger daniels thoughtfully asked could it happen again today in post 9 11 america that question has an answer it can and it has daniels addresses these issues in a revised edition of this classic and he finds the u s government perilously close to repeating with the arab american population mistakes it made with the japanese americans johanna miller lewis university of arkansas at little rock

spying on citizens censoring critics imprisoning minorities these are the acts of dictators not american presidents or are they the legacy of president franklin d roosevelt enjoys regular

acclaim from historians politicians and educators lauded for his new deal policies leadership as a wartime president cozy fireside chats and groundbreaking support of the forgotten man fdr we have been told is worthy of the same praise as men like washington jefferson and lincoln but is that true does the father of today s welfare state really deserve such generous approbation or is there a dark side to this golden legacy the new deal s war on the bill of rights the untold story of fdr s concentration camps censorship and mass surveillance unveils a much different portrait than the standard orthodoxy found in today s historical studies deploying an abundance of primary source evidence and well reasoned arguments historian and distinguished professor emeritus david t beito masterfully presents a complete account of the real franklin d roosevelt a man who abused power violated human rights targeted dissidents and let his crude racism imprison american citizens merely for being of japanese descent read it and discover how fdr shamelessly censored critics of his administration barred them from the public square destroyed their careers and even bankrupted them when possible locked up japanese american citizens in concentration camps built on american soil sowed the seeds of today s out of control surveillance state and much much more here is an all too rare portrait of a man who changed the course of american history not for the better read it and you ll never view the fireside president the same again

prisoners and prisons in india is an in depth exploration of the conditions within india s prison system emphasizing the human rights of prisoners and the legal framework governing their treatment the book provides a comprehensive analysis of the historical evolution of prisons in india highlighting the various challenges that persist in the modern era such as overcrowding inadequate healthcare and the systemic issues that often lead to the violation of prisoners rights at the core of this book is a detailed examination of the landmark supreme court case re inhuman conditions in 1382 prisons which serves as a pivotal moment in india s judicial history this case brought to light the appalling conditions in indian prisons and led to a series of orders aimed at reforming the system the book meticulously presents the full text of these supreme court orders offering readers an authoritative source of legal directives that have shaped the current prison reform landscape key topics covered in the book include legal and constitutional framework an overview of the constitutional rights of prisoners the relevant acts and regulations like the prison act of 1894 and the significance of the model prison manual 2016 supreme court s directives a chronological account of the supreme court s directives issued in response to the inhuman conditions in indian prisons with full text orders included for reference prison conditions a critical analysis of the current state of indian prisons addressing issues such as overcrowding health and hygiene custodial violence and the lack of basic amenities life inside

prisons insights into the daily life of prisoners including rehabilitation programs the plight of undertrial prisoners and the unique challenges faced by women and juvenile detainees prison reforms an examination of the efforts made to reform the prison system in india including government initiatives the role of ngos and the challenges of implementing sustainable changes comparative analysis a look at how india s prison system compares with those of other countries drawing lessons from international standards and best practices future directions the book concludes with thoughtful recommendations for policymakers legal practitioners and civil society on how to continue the momentum of prison reforms to ensure the dignity and rights of all prisoners are upheld this book is an essential resource for legal professionals human rights activists policymakers and anyone interested in the justice system it not only serves as a legal reference but also as a call to action for continuous improvement in the treatment of prisoners emphasizing the importance of upholding human dignity within the criminal justice system with its comprehensive coverage and detailed presentation of the supreme court s interventions prisoners and prisons in india stands as a significant contribution to the discourse on human rights and prison reform in india

social movements and global social change teaches students not only about how social change occurs but also how social movements can contribute to this change the book links two concepts in sociology that are often related in real life but that can seem disconnected in traditional approaches to teaching these courses the book examines different types of social movements including those often ignored in social change textbooks such as riots migration and disorganized protest it also looks at citizens rights and inequality in connection to social movements and change the book features global perspectives and examples throughout

when the american government began impounding japanese american citizens after pearl harbor photography became a battleground the control of the means of representation affected nearly every aspect of the incarceration from the mug shots criminalizing japanese americans to the prohibition of cameras in the hands of inmates the government also hired photographers to make an extensive record of the forced removal and incarceration in this insightful study jasmine alinder explores the photographic record of the imprisonment in war relocation centers such as manzanar tule lake jerome and others she investigates why photographs were made how they were meant to function and how they have been reproduced and interpreted subsequently by the popular press and museums in constructing versions of public history alinder provides calibrated readings of the photographs from this period including works by dorothea lange ansel adams manzanar camp inmate toyo miyatake who constructed his own

camera to document the complicated realities of camp life and contemporary artists patrick nagatani and masumi hayashi illustrated with more than forty photographs moving images reveals the significance of the camera in the process of incarceration as well as the construction of race citizenship and patriotism in this complex historical moment
